Le Kiosque de la Doc, n°65, 13 juin-31 juillet 2017

Les articles qui suivent ont été repérés au cours de la veille documentaire effectuée par le pôle Veille et Documentation du CNSPFV sur la période indiquée ci-dessus. Lorsque disponible, un lien vers le document a été fourni, indépendamment de son type d’accès (gratuit ou payant).

L’équipe du pôle a mis en place une veille exhaustive sur les thématiques du CNSPFV, d’où la densité du Kiosque de la Doc. Les revues sont divisées en deux groupes : celles portant spécifiquement sur les thématiques du CNSPFV et celles portant sur d’autres thématiques mais publiant des articles en lien avec les thématiques du Centre. N’hésitez pas à nous faire part de vos remarques ou de vos propositions concernant le Kiosque de la Doc sur documentation@spfv.fr . Bonne lecture !

L’équipe du pôle Veille et Documentation

Revues ayant pour thématiques principales les soins palliatifs, la fin de vie, la mort et le deuil

Annals of palliative medicine
- Sacred space and the healing journey
- Spirituality in young adults with end-stage cancer: a review of the literature and a call for research
- Spirituality in adolescent patients
- Definitions of healing and healing interventions across different cultures
